

Photo Requirements

- Printed in color
- Printed on photo quality paper
- The photograph must be the size and quality of a normal United States passport photo (2x2 inches in size)
- The photograph must depict a full representation of the front of the applicant's face with open eyes and all features visible
- Taken within the last 6 months to reflect current appearance
- The photograph should include the area from the top of the applicant's head to the shoulders (see image below)
- Taken with a neutral facial expression or a natural smile, and with both eyes open
- The photograph must have a plain white or off-white background
- No glasses may be worn
- No hats, caps, scarves, or other regular kinds of head covering
- No headphones or wireless hands-free devices
- No face masks or other types of coverings
- No uniforms
- The applicant's face may not be obscured

Exceptions to the photographic requirements may be made at the discretion of the director for religious or medical reasons upon written request by the applicant or license holder. The request must be accompanied by documentation verifying the reason for the exception and mailed to the agency.
